CLAIRE BOGDAN

bogdanclaire@gmail.com   843-224-2430   Summerville, SC

Full stack software engineer with 4 years of experience developing web applications

EXPERIENCE

Software Engineer II, Immuta   Summerville, SC (Remote) | Mar 2023 - present

➢ Administrative lead for the development of a new onboarding flow, facilitating the migration of existing customers to the updated system. Collaborated effectively with UX and customer success teams to enhance user experience. Developed new APIs, performed database migrations, and implemented core business logic and frontend features.

➢ Authored customer-facing and internal documentation, as well as blog posts and technical plans.

➢ Mentored junior engineers and interns, providing guidance and support to foster their professional growth.

➢ Promoted in March 2023 in recognition of technical proficiency and leadership skills.

Software Engineer I, Immuta   Columbus, OH / Summerville, SC (Remote) | Oct 2020 - Mar 2023

➢ Designed and implemented new features for our identity management application and auditing feature.

➢ Exhibited adaptability and rapid learning while transitioning between diverse projects, successfully meeting evolving requirements.

➢ Developed robust unit, integration, and end-to-end tests to ensure application reliability.

Freelance Oboist, Self-employed   Charleston, SC / Columbus, OH | Jun 2019 - Oct 2020

➢ Created my own private oboe studio where I taught lessons to middle and high school students.

➢ Started my own oboe reed making business, Bogdan Reeds.

Band Director, Dubose Middle School   Summerville, SC | Aug 2018 - Jun 2019

Band Director, Westglades Middle School   Parkland, FL | Aug 2017 - Jun 2018

➢ Directed the band program comprising of 220+ students.

➢ Led the parent band boosters organization where I managed fundraising efforts, field trips, and concerts.
